OZRIM: Ozrim or “helpers/volunteers” is the name of our Torah School Parent Participation program. The Torah School relies on the help of parents to make our many programs successful. **Similar to Oneg duty, we expect each parent in the Torah School to assist with at least one task each year. At least one parent is requested to complete the form below.** If you can take on a leadership/organizing role, note this as well. If you have questions, we encourage you to call or e-mail us.

Today rabah (Many thanks!!):
